

## **CONTINUING EDUCATION UNITS**

Continuing Education Units are granted to clergy when completing a Marriage Encounter Weekend or an Engaged Encounter Weekend. The Discipleship Ministries Division of the General Board of Discipleship will provide a "Certificate of Participation" granting 1.5 units for a Marriage Encounter Weekend and 1.1 units for an Engaged Weekend. Certificates can be issued for both the clergy presenting the Weekend and the clergy attending the Weekend. The Administrative Couple for the Weekend will secure and deliver the Continuing Education Unit Certificates for the clergy.

As Weekends occur during the year, the Administrative couple for the Weekend will contact the DMD Meeting Planning Office (Contact Nancy Dunlap by e-mail at [ndunlap@GBOD.org](mailto:ndunlap@GBOD.org) ) with the information about the clergy couples on a particular Weekend. She does not need the name of the clergy only the exact location and date of the Weekend.

The DMD Meeting Planning Office prefers to email the certificates to the Admin couple for printing on quality paper. (If Admin couple specifically requests the certificates be mailed, the mailing address needs to be sent when contacting Nancy Dunlap.)\*
